Choe stated that Foreign Minister Yu sent a letter on November 6 to NATO Secretary General Rasmussen requesting ROK participation in International Security Assistance Force (ISAF) under NATO command in Afghanistan. Choe noted that in his letter to NATO SYG Rasmussen FM Yu expressed the desire of the ROKG to lead a PRT in Parwan Province, where the ROK Medical and Vocational Training Team is currently operating. The text of letter follows in para ¶3.

¶2. (C) Choe said the ROK Afghan PRT Survey Team will depart Seoul on November 11 and arrive in Kabul on November 12. The ROKG has requested USG assistance for the Survey Team to arrange meetings in Kabul, Bagram, Parwan and Bamyan. A detailed itinerary follows in para 4. The ROK Afghan PRT Survey Team will be led by ROK SRAP Deputy Foreign Minister Lee Yong-joon. A complete delegation list follows in para 5.

¶3. (C) Begin Text of Letter dated 6 November 2009 from FM Yu to NATO SYG Rasmussen:

Dear Secretary General Rasmussen:

It is my great pleasure to inform you that the Government of the Republic of Korea (ROK) would like to become an official troop contributor to the International Security Assistance Force under NATO command in Afghanistan.

The ROK Government plans to establish a Provincial Reconstruction Team (PRT) consisting of approximately 50-70 civilians, 30-50 police officers and 200-400 infantry troops.

The forces assigned to the Korean PRT are intended to provide protection for the PRT and security escorts for the PRT's governance and development-related activities outside of the PRT premises, and are not intended for patrol or other security missions in Afghanistan.

While we understand that the specific location of our PRT is subject to consultations with NATO-ISAF, the ROK Government wishes to lead a PRT in Parwan Province, where its Medical and Vocational Training Team is already present. The exact numbers of civilians, police officers and infantry troops allocated to the PRT will be decided after the location of the PRT is discussed and agreed between the ROK Government and NATO command.

The military component of our PRT will be deployed in accordance with our domestic constitutional procedure for

obtaining the consent of the National Assembly.

The Government of the Republic of Korea would like to request NATO and Supreme Headquarters Allied Powers Europe (SHAPE) to complete the required procedure at the earliest possible date and provide assistance in the process.

With highest personal regards, I remain.  
Sincerely yours, Yu Myung-hwan

End Text of letter.
